

Mohit Kewalramani

Education

- The University of British Columbia, Vancouver (September 2015 – Present)
Vancouver, Canada
 - Currently in second year standing majoring in Computer Science through the Faculty of Science. Expected graduation in the Spring of 2020.

Leadership Experience

- Executive Treasurer for the Totem Park Residence Association (April 2016 – Present)
Vancouver, Canada
 - Worked with a TPRA to plan and balance a \$25,000 budget for the winter session to ensure that our residence standards and requirements are met through mutual dialogue and understanding
 - Controlled and monitored the daily flow of money from the TPRA account by checking on the real time balance and writing out cheques in a time efficient manner
 - Managed all the deposits, inquiries, and reconciliations for our account and developed a position on our council to provide advice on our events from the perspective of our financial standing
 - Met regularly with my President and Residence Life Manager to discuss our financial standing as well as our progress as a council in terms of communication, efficiency, and orientation to our goals
- Orientation Day Leader for UBC Imagine Day 2016 (March 2016 – December 2016)
Vancouver, Canada
 - Volunteered as a student leader for the faculty of Science to lead a group of 10 students across campus and show them the resources, facilities, and opportunities they will have on campus along with a tour
 - Initiated participation to the role through an orientation session where we got to know the people who will be working with us on our squad, as well as our expectations for the day of the orientation
 - Expanded my skills by attended a training session called “Spring Welcome”, where we were presented with the presentations of “Building Community”, and “Taking Action Through Community”
 - Continued to initiate communication with the students of my group through Term 1 to ensure that their adjustment is going well and further resources and events were being shared
- Floor Representative of the Haida House in Totem Park (September 2015 – April 2016)
Vancouver, Canada
 - Participated in weekly meetings to discuss ideas for future events, and furthermore balanced our annual house budget, by planning the amount of money needed for events and other expenses
 - Put up posters to promote upcoming events, and further spread awareness by announcing events at community meetings and working with social media to ensure maximum marketing of our events
 - Oversaw events like pumpkin carving, capture the flag, charity sandwich making, and bunny grams to build small communities and encourage inclusiveness in our house
 - Directed a “Capture the Flag” event for our house. The setup of the ground and explanation of the rules were designed and executed by our council
 - Reflected on my performance through the term with my Residence Co-ordinator, to discuss the current experience, current strengths and weaknesses, and goals for next term.

Volunteer Work

- Volunteer for the Student Leadership Conference 2016 (January 2016)
Vancouver, Canada
 - Attended an orientation session where we got to know fellow volunteers and understood the structure of the Conference
 - Integrated my participation through an orientation session where information on the nature of our specific roles were given, and worked to prepare logistics for the conference
 - Assisted the role of “Wayfinding”, where I committed to answer questions, distribute maps, and direct delegations to appropriate locations
 - Attained to work for approximately 6 hours on site, and dedicated almost a total of 10 hours by being present on venue, contributing to smaller logistical tasks back at volunteer headquarters

- Volunteer for the “UBC Startup Weekend 2015” (November 2015)
Vancouver, Canada
 - Worked for approximately 9 hours across 2 days during the event
 - Contributed to helping out with the setup of food during the hours of service
 - Ensured the cleanliness of the workstations and other common areas
 - Distributed materials essential to the conference
 - Was present consistently on standby in the event of necessary work as well as service for the participants
 - Had the opportunity to network with the leaders of the event as well as the participants, hosts and judges

Extra-Curricular Activities

- Participated in the MUNSA event – World in Need: Pandemic (October 2015)
Vancouver, Canada
 - Represented the country France in the World Health Organization committee, and greatly contributed to the writing of 1 resolution and 1 directive list that passed with overwhelming majority in committee session

Interests/Hobbies

- Robotics
- Computer Programming
- Building Models
- Model United Nations/Debate
- Public Speaking & Presentations
