

YINGYING ZHAO

RHA Experiences

President

May '16–Present

Ponderosa Commons Residence Association, University of British Columbia

- Support a team which programmed and advocated for a total of 1150 residents, with a focus on physical & mental wellness & community
- Represented Ponderosa Commons area to external organizations
- Spearheaded an inter-council hiking event that provided transportation to a popular local mountain.
- Revised the revenue streams and organized one of the most anticipated inter-council project – Residence Whistler Shuttle – that provided 300 residents over six weeks with affordable, convenient transportation to popular winter sports destination.
- Oversaw all aspects of the organization including marketing, communications, team building and collaboration with other associations and organizations.
- Represented UBC RHA at National Conference
- Chaired council meetings, and participated in RHA executive meetings

Cedar House President

Ponderosa Commons Residence Association, University of British Columbia

- Planned and hosted two events in Cedar House targeting 300+ upper-year students
- Assisted a number of larger scale events that hosted on average 30 people over the term
- Supported and represented PCRA on the campus-wide Residence Whistler Shuttle Committee with responsibilities such as marketing, answering inquiries, and handling transactions at Ponderosa Commons

Experiences

Returning Program Assistant

May-Aug '16

Vancouver Summer Program, UBC School of Kinesiology

May-Aug '15

- Proposed and planned social activities for summer exchange program within a budget of \$100 per student for 51 students, **which required communication with correspondents of external organizations to make sure payments were on time and activities were scheduled.**
- Trained and managed 4 student ambassadors who assisted exchange students both in class and while exploring Vancouver through 11 activities, 7 of which were planned by me.
- **Headed the editing and design** of a series of textbooks made to facilitate comprehensive learning that minimize the effect of language barriers that were well-received by students and instructors alike.
- Assisted 4 instructors to finalize each of their **month-long** curriculum.
- Attended meetings with other faculty representatives to meet the objective of the UBC-wide project.

Group Fitness Facilitator, Attendant

Sep '16–Present

BodyWorks Fitness Centre

Sep '15 – Apr '16

- Engaged clients in safe exercise and reduced risk of injuries by spotting for the instructor and correcting the form. Led warm-ups and cool-downs once a week.
- Maintained facility in an orderly matter independently.
- Greeted clients with care and sensitivity.

Apr '16–Present

Apr–Sep '15

Returning Orientation Leader

Imagine Day, University of British Columbia

- Provided orientation for 2 cohorts of 10 incoming students (domestic and international).
- Provided personal peer support after Imagine Day.
- Planned a Kinesiology Transition Program with four other Orientation Leaders for students, which embraced multiculturalism and offered information about exchange opportunities.

Active Witness Workshop Facilitator

Feb '16–Apr '16

Equity and Inclusion Office, University of British Columbia

- Delivered workshops for groups of 25-35 student leaders of varying experience on how to actively build an inclusive, discrimination-free community.
- Provided feedback and reflection in order to improve the workshops in the future.

Brand Ambassador

Sep–Jul '15

Make Your Mark KIN Campaign, UBC School of Kinesiology

- Promoted the campaign and related events using social media presence.
- Coordinated poster posting in residence with Project Manager and Student Housing and Hospitality to increase awareness of the referendum, which aimed to secure funding for planning of a Kinesiology building on campus.
- Passed the referendum with a record breaking 47% voter turnout and 87% "yes" vote.
